

# Policy, Performance and Reform (PPR)

---

Overview

**MANCHESTER**  
**CITY COUNCIL**

# PPR: Who we are and how we work

## Mission:

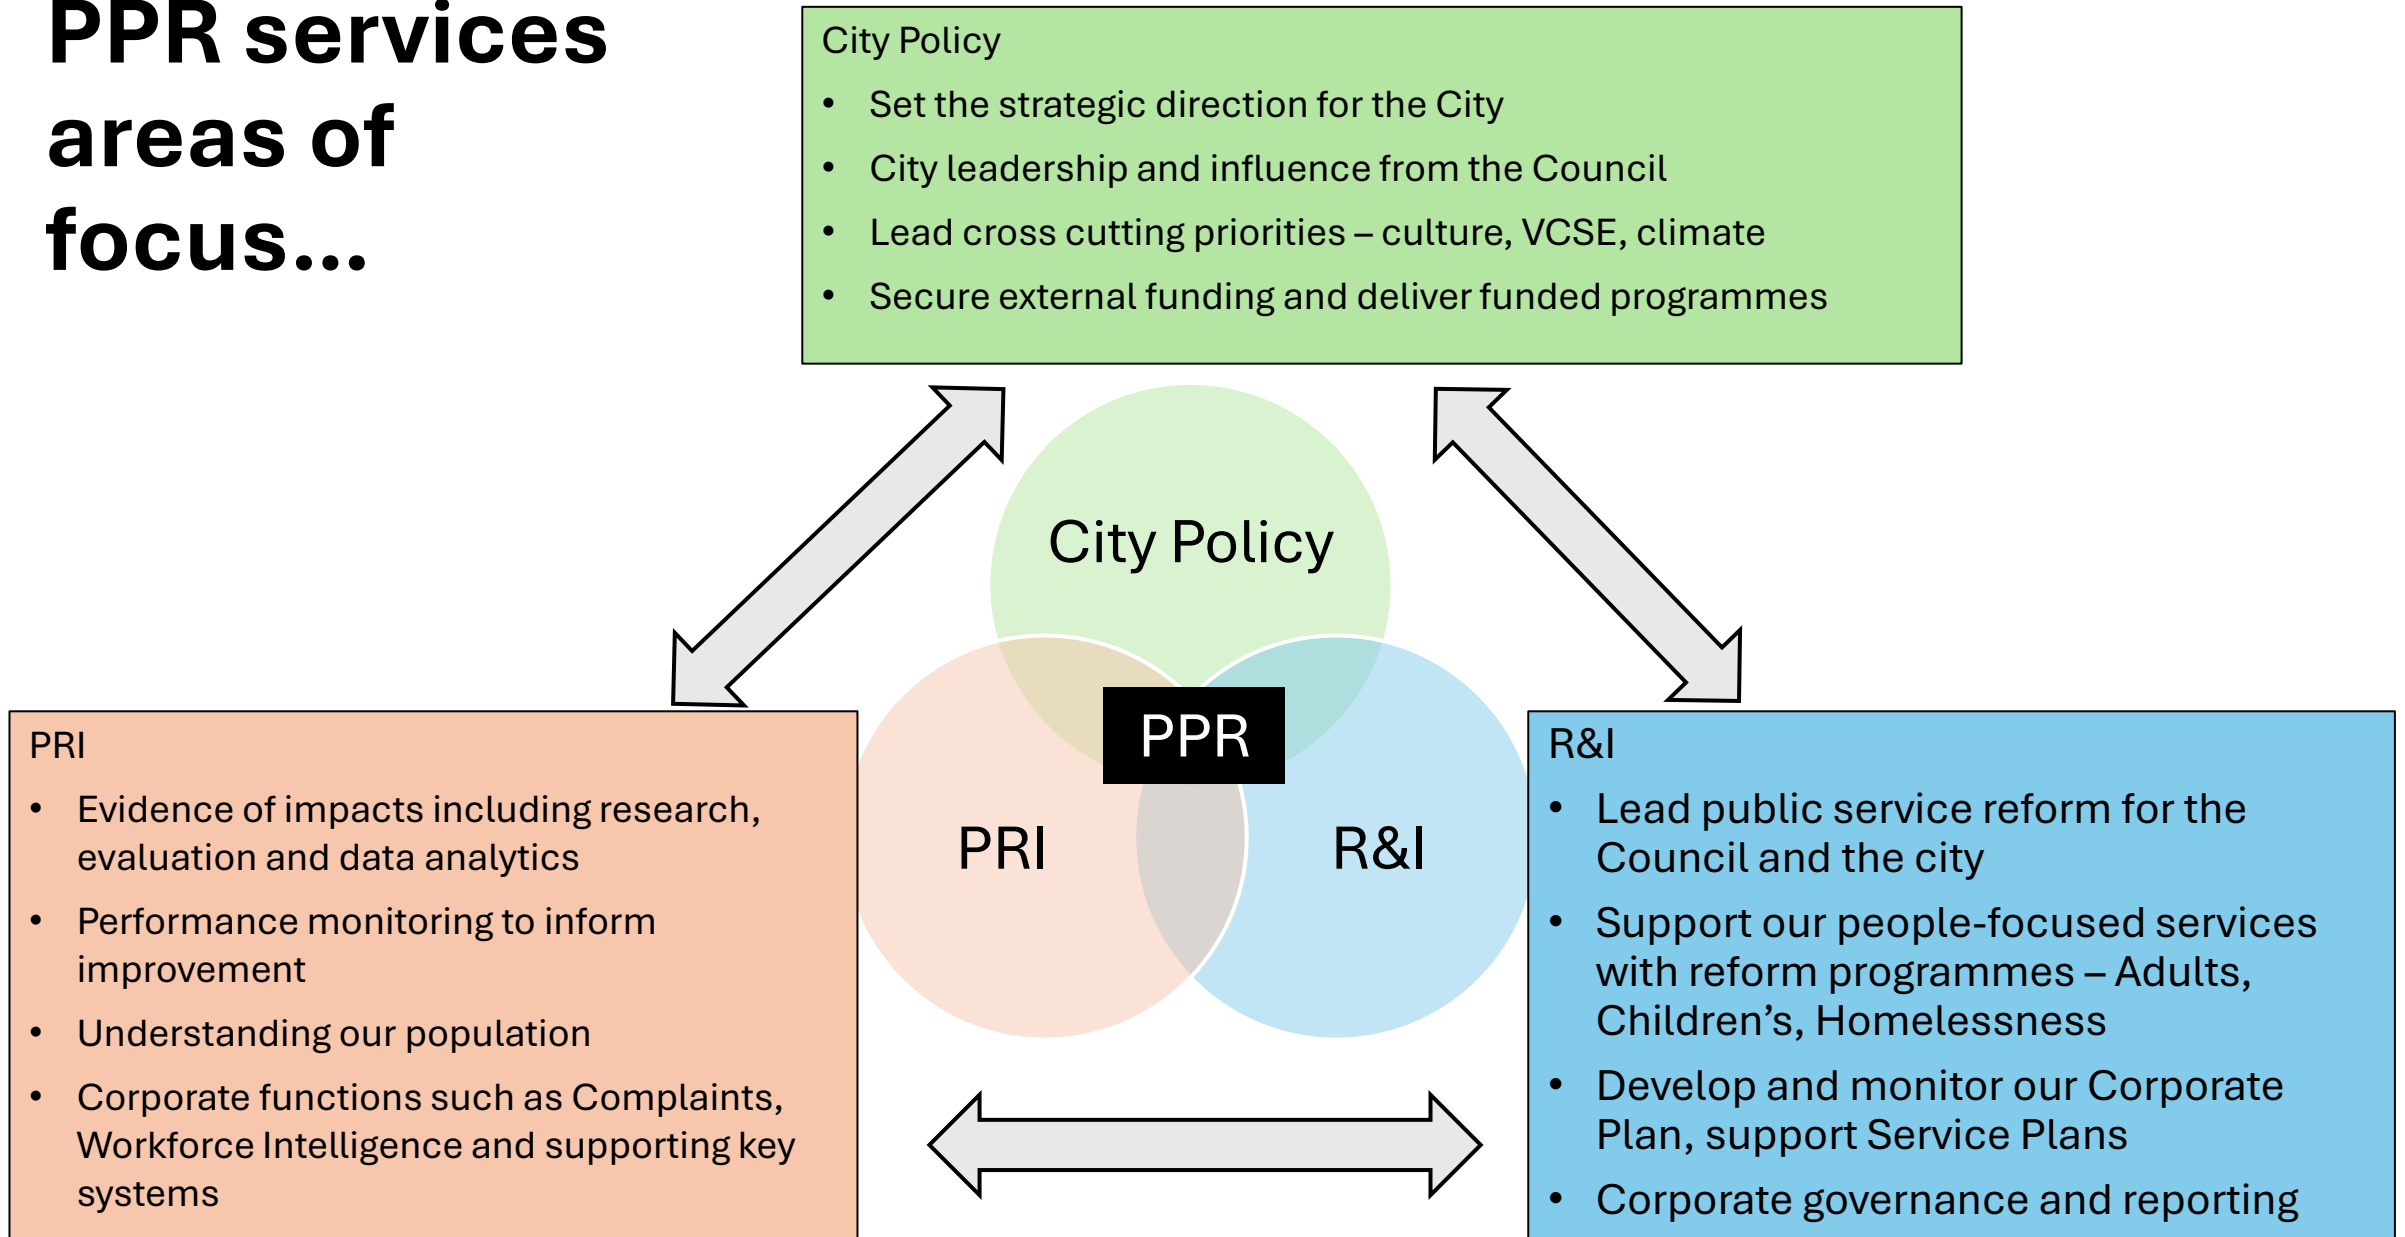

To provide high quality strategic advice, support and challenge, to deliver the priorities of the Council and city

## How we work:

- Exemplify the Our Manchester behaviours and approach
- Build trusted and productive relationships with internal and external partners to achieve our objectives
- Flexible and willing to adapt to new areas of work
- Proactive in identifying and developing future areas of work

# PPR services areas of focus...

# Examples of our joint work
